TELSTAR™ GAME COMPUTER CARTRIDGES

There are plenty of Game Cartridges available for use with the TELSTAR™ GAME COMPUTER—and that means hundreds of exciting game combinations! Snap in a different cartridge, and play a whole new group of games!

6272—CARTRIDGE #2— DAREDEVIL CYCLE

Cartridge #2 features eight death-defying motorcycle challenges—all in brilliant color with realistic electronic sound effects and on-screen digital display scoring!

Daredevil (Amateur): Accelerate up the ramp and jump over as many lined-up buses as you dare!

Daredevil (Pro): Accelerate even faster, and jump more buses as your timing and skill increases!

Drag Race (Amateur): Race your motorcycle across the track—shifting, accelerating, speeding at an amazing pace!

Drag Race (Pro): Shift into a faster mode and race over the track, avoiding crashes!

Moto Cross (Amateur): Traverse the track, jumping the many obstacles in your path!

Moto Cross (Pro): Accelerate even faster—doing wheelies over each obstacle as you race to the end of the track!

Enduro (Amateur): Race over the obstructed path, gain speed, head up the ramp and jump over the lined-up buses!

Enduro (Pro): Race over a heavily obstructed path at an amazing speed—head up the ramp and attempt to jump a full line-up of buses!

Pack: 12 Weight: 5 lb. Cube: 0.3'

6273—CARTRIDGE #3— SPEED WAY

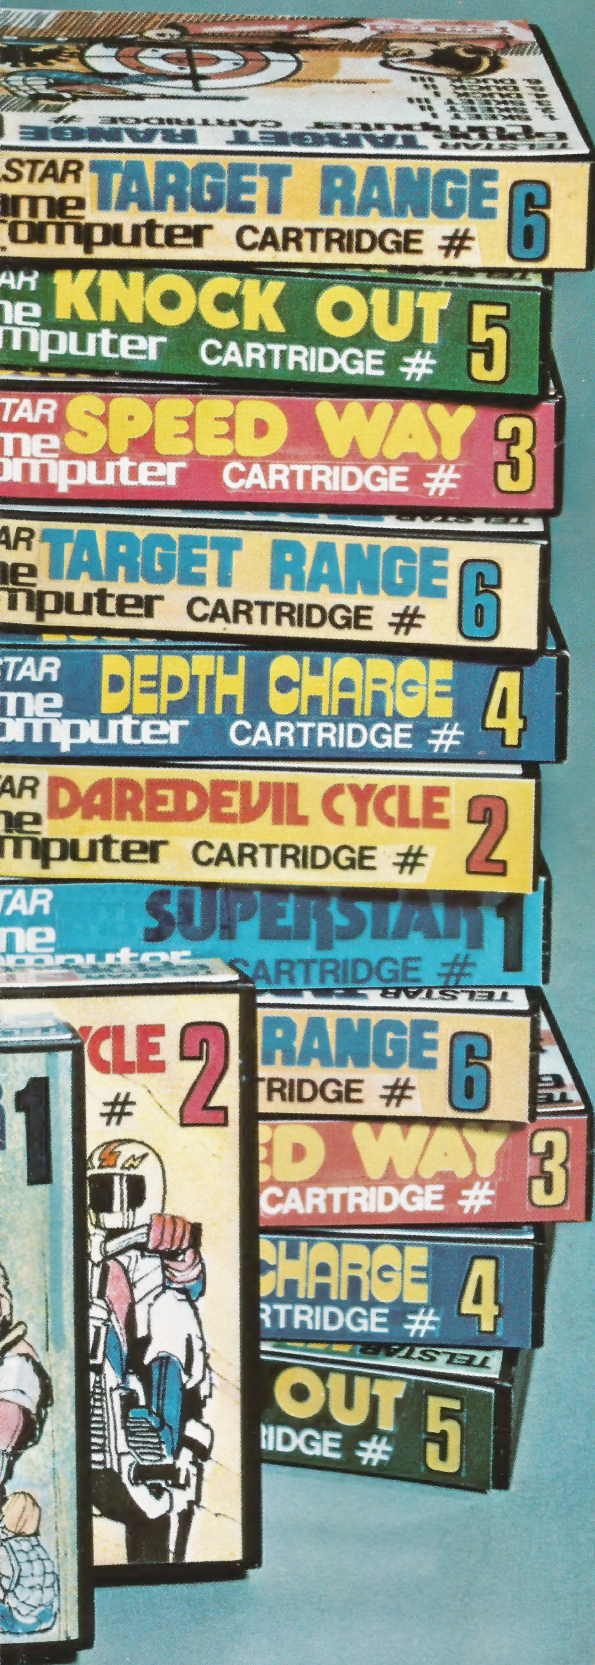

Cartridge #3 features two action packed racing games in brilliant color with realistic electronic sound effects and on-screen digital display scoring.

Speed Way (1): Race your car over the track and around the many obstacles. Increase your speed and race against time. Crash-and you've got to start up again!

Speed Way (2): Two players-two cars! Race against each other over the obstructed track, avoiding crashes.

Pack: 12 Weight: 5 lb. Cube: 0.3'

6274—CARTRIDGE #4— DEPTH CHARGE

Cartridge #4 features two fascinating submarine games in brilliant color with realistic electronic sound effects and on-screen digital display scoring.

Depth Charge (1): Use your destroyer to protect your ships and depth charge the enemy submarine while it tries to torpedo you!

Depth Charge (2): Two opposing naval teams confront each other on the open seas—firing torpedoes at each other's ships and depth charging the submarines!

Pack: 12 Weight: 5 lb. Cube: 0.3'

6275—CARTRIDGE #5— KNOCK OUT

Cartridge #5 features over 100 variations of Knock Out—a skill game where you knock objects off the screen using your ball without letting it bounce out of the playing area! All games in brilliant color with realistic electronic sound effects and on-screen digital display scoring!

Pack: 12 Weight: 5 lb. Cube: 0.3'

6276—CARTRIDGE #6— TARGET RANGE

Cartridge #6 features six exciting target games—all in brilliant color with realistic electronic sound effects and on-screen digital display scoring! Includes photo electric pistol that operates under normal room lighting conditions.

Target Range (1): Aim at the moving targets and fire. See how many you can get as they race across the screen!

Target Range (2): Two players alternately compete in the target shoot.

Target Range (3): Two players shoot at the same time at the moving targets.

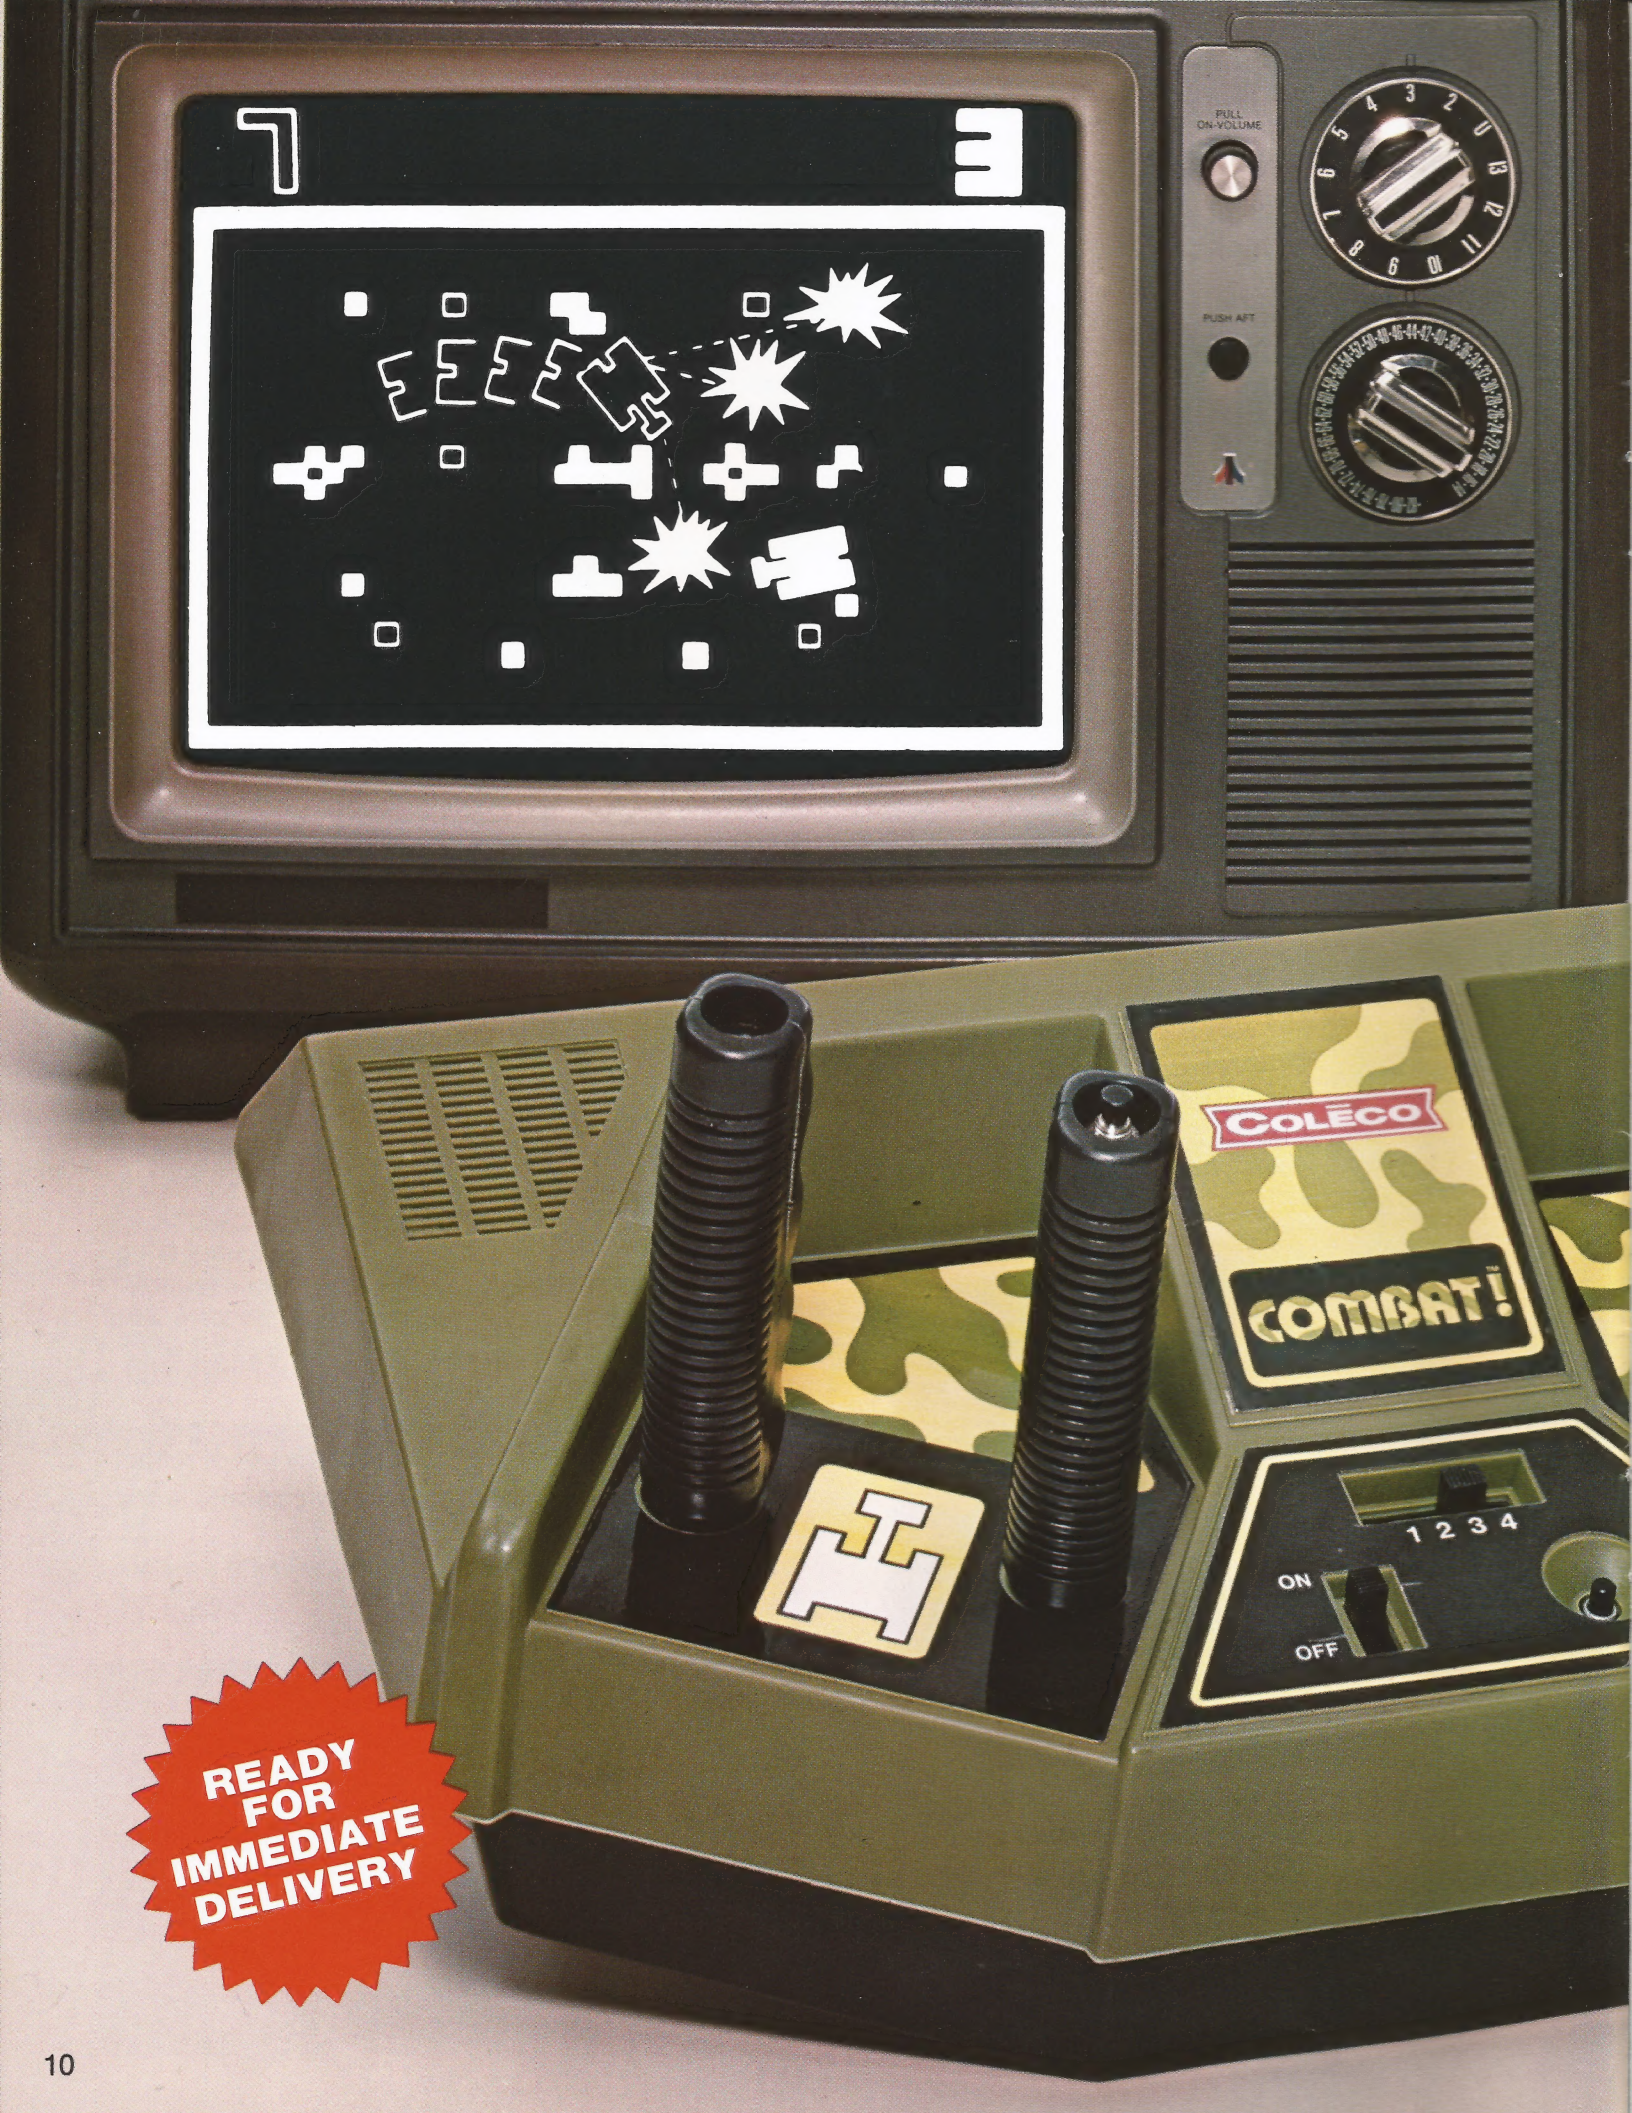

Duck Hunt (1): Aim at the fast flying ducks and get down as many as you can before they fly out of range!

Duck Hunt (2): Two players alternately compete in the Duck Hunt.

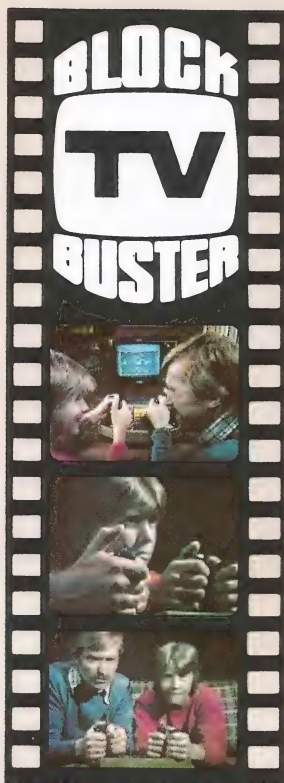

Duck Hunt (3): Two players shoot at the same time at the flying ducks.

Pack: 12 Weight: 6 lb. Cube: 0.3'
